BYOB for our virtual toast and enjoy opportunities for networking. We will share in the year's triumphs, commiserate in its miseries, and take action together.

Learn more about the PHA and Spirit of 1848 networks and how they can support you in your public health and social justice work.

Come and go as you need – we know there's a lot going on at APHA and this space can be a different place to touch in, see familiar faces, or meet new accomplices.

This is a free event and you don't have to be registered for APHA to join.
